

# FAMILY FACTS

Quarterly Newsletter

2023 Q4 - 001

*Inspired by Shirley's wish to keep the family connected, this newsletter and corresponding website (coming soon) has been developed as a platform to learn about our relatives, near and far, past and present, and to share our stories.*

Welcome to the first edition of the all new Mitchell Family Facts newsletter! It may not look like much now, but, over time, with your participation, it can evolve to become the official record of the Mitchell family and descendants' facts and stories—all in one secure, password-protected place!

## Newsletter

The newsletter will be published quarterly each **March, June, September, and December** and distributed via email.

Subscribers will have the option to unsubscribe at any time. All family members are encouraged to submit content of interest such as any new family additions through marriage, birth, adoption, yard sales, etc., as well as education/career achievements, photos of recent gatherings or family trips, unique talents, requests for prayer, and any significant or funny, family-friendly experiences you wish to share. Healthcare tips will be an occasional topic based on our family medical history. Further content ideas are always welcome!

## Website

We now own the domain **[mitchellfamilyfacts.com](http://mitchellfamilyfacts.com)** which houses a private website that will contain archives of this newsletter as well as historical facts, family photos, news and events, etc. A "Generations" page will list each family member from Voyle and Amy on. Each member will have their own page to add as much or as little information about themselves as they choose.

To ensure and maintain security, access is restricted to registered family members. While the site is currently under construction, the registration page has launched so that we can send out notifications as new content is added.

To register, simply go to the site **[mitchellfamilyfacts.com](http://mitchellfamilyfacts.com)**, click on the Family Member Registration button, and enter your information to create a username and password with which you will log in. Once you have been verified as a family member and a human (not a bot), you will be granted access.

Plans are also underway to add a store to the site where family members may offer up any handmade, homegrown, or special items or hand-me-downs, etc.

## REUNION POLL

In an effort to plan a reunion this summer that the most can attend, watch the website for a poll to determine the best weekend to hold an Annual Reunion. Results will be in the next issue of the newsletter (March 2024).

## ANNOUNCEMENT

In honor of the many nurses in our family, a \$1000 nursing tuition-reimbursement scholarship will be made available to the next family member to become a Registered Nurse!
