

Inspired by Shirley's wish to keep the family connected, this newsletter and corresponding website have been developed as a platform to learn about our relatives, near and far, past and present, and to share our stories.

OH HAPPY SPRING !

Whether it's the sudden bursts of pastel blossoms, the soft whimpers of baby birds, young calves, lambs and chicks, the aroma of freshly baked Easter breads, or simply that feeling of nature starting anew, Spring conjures up memories from the past winter, while looking ahead to a hearty harvest.

While there are many things to enjoy about this time of year, share YOUR favorite springtime activities by visiting mitchellfamilyfacts.com. Go to **Member Pages**, click **Member Homepage** and scroll to the comment section. Consider these questions for example:

What is your fondest springtime or Easter memory?

Have any interesting spring traditions been passed down?

What is your favorite flower that blooms in spring?

What do you most look forward to in spring?

What do you have for an Easter meal?

What are your spring cleaning tips?
